

Def. Doc. No. 2515

Exh. No.

Excerpt from "The Japan Chronicle"

Sept. 23, 1931 (page 4).

NO MILITARY ADMINISTRATION

The Cabinet has ruled against the military administration of the occupied districts. This decision was subsequently wired by General Minami, Minister of War, to General Honjo, Commander of the Japanese Garrison in Kwantung province. In consequence, the military administrations inaugurated at Mukden, Antung, Yinkow, Changchun and other cities have been abolished. The troops and gendarmerie are to attend solely to the maintenance of peace and order.
